                        Indigenous Ghost-Dancing: At Home on Native Land; Conclusion: The
                        Spectre of Self-Invention; Notes; Works Cited; Index; Back Cover

   Sommario/riassunto   Focusing on the ways that Canadian writers turned to the Gothic for its
                        vitalising rather than unsettling potential, this volume offers an
                        important reconsideration of the Gothic legacy in Canada.
