A MODERN POPULATION PROBLEM; XIII. FIRING THE OVENS OF YOUTH; XIV. SOCIOLOGY OF SEX XV. MARRIAGE BY CAPTUREXVI. KINSHIP AND SOCIAL STABILITY; APPENDIX; INDEX
Sommario/riassunto	Recognized as a major work when first published, this title has, over the years, become a classic. Forming the basis of modern social anthropology, We the Tikiopia stands in the forefront of its literature. The book is an excellent example of fieldwork

analysis of a primitive society; a complete account of the working of a primitive kinship system; and an exhaustive and sophisticated study of Polynesian social institutions.
 First published in 1936.
