Sommario/riassunto	Meredith Sue Willis's Out of the Mountains is a collection of thirteen short stories set in contemporary Appalachia. Firmly grounded in place, the stories voyage out into the conflicting cultural identities that native Appalachians experience as they balance mainstream and mountain identities. Willis's stories explore the complex negotiations between longtime natives of the region and its newcomers and the rifts that develop within families over current issues such as mountaintop removal and homophobia. Always, however, the situations depicted in these stories are explored in the service of
