Sommario/riassunto	This textbook offers a mission-driven framework for colleges and universities to craft effective academic master plans. By equipping departments with resources, it tackles relevance, efficiency, and adaptability during funding challenges, program restructuring, and

evolving labor market trends. Focused on streamlined curricula, it empowers departments to enhance learning outcomes and support seamless student progression. Packed with essential tools—collaboration strategies, and actionable insights—it addresses immediate challenges and anticipates future needs. Designed for academic leaders such as provosts, deans, and department chairs, this book fosters engagement, budget awareness, and transformative change, empowering institutions to thrive amid 21st-century complexities.
