## Sommario/riassunto

Spanish: An Essential Grammar is a concise and user-friendly reference guide to the most important aspects of Spanish. It presents a fresh and accessible description of the language that combines traditional and function-based grammar. The book sets out the complexities of Spanish in short, readable sections, and explanations are clear and free from jargon. The Grammar is the ideal reference source for the learner and user of Spanish. It is suitable for either independent study or for students in schools, colleges, universities and adult classes of all types.
