Sommario/riassunto	This book gives teachers ways to provoke thought and start discussion ? something schemes of work don't always allow time for. With a curriculum that is getting increasingly content-heavy, it's important for teachers to look to develop thinking skills where they can. 365 Things to make you go hmmm ? provides one opportunity a day (through questions / tasks) to develop skills like creative thinking, a sense of wonder, logic and decision-making. By getting pupils talking, classroom communities are built. Skills include: creative thinking, mathematical thinking, problem-solving, critical thin
