STRATEGIES FOR SUCCESS IN ONLINE EDUCATION

Sommario/riassunto	This book is a practical guide for any student considering enrollment in, currently enrolled in, or recently graduated from an online course. The authors, both with substantial online teaching and learning experience as well as seasoned professionals, deliver concise guidance to make the online learning journey enjoyable, productive, and most of all, worthwhile. Major topics include how to identify the best online program; comparing online with traditional education programs; finding an ideal work-life balance; managing time and staying organized; how to form good habits to maximize your chanc
