Sommario/riassunto	""Recommended""--Booklist; ""meticulously researched book...highly recommended""--ARSC Journal. Covered here are all 39 Hollywood musicals nominated for Best Picture. It explains why each film was nominated and why the winners won, points out the influences that guided the productions, and discusses these films' influences on succeeding films. Detailed plot descriptions are provided, along with interesting facts about the acting, direction, choreography, and orchestration; complete cast and production credits; and comments from critics.
