Sommario/riassunto	Communitarian anarchism is a generic form of socialism that denies the need for a state or any other authority over the individual from above, and which requires absolute belief that the individual cannot exist outside of a community of others. This book suggests that the communitarian anarchists of the nineteenth century developed and articulated a distinct tradition of economic thought. The period of this

study begins with the first major writing of the French communitarian anarchist, Pierre-Joseph Proudhon, in 1840 and ends with the temporary burial of anarchist theorizing at the beginning
