Nota di contenuto	Luck -- The class war in Beverly Hills -- (The pursuit of) happiness is just a thing called Jed -- The Beverly Hillbillies and the American dream -- Conclusion.
Sommario/riassunto	Leslie Dale Feldman's Rustics and Politics: The Political Theory of The Beverly Hillbillies looks at the political and economic themes in the classic post-World War II television show The Beverly Hillbillies. This book analyzes the show's handling of social status, social mobility, work, the American dream, and the idea of earned wealth versus wealth achieved by luck.
