Nota di contenuto	Title; Contents; The Rise of Historical Criticism; The English Renaissance of Art; House Decoration; Art and the Handicraftsman; Lecture to Art Students; London Models; Poems in Prose; Endnotes
Sommario/riassunto	Oscar Wilde (1854 - 1900) is remembered best for his sharp wit, his comedic plays and for his contribution to aestheticism and decadence. In this collection of essays, however, Wilde writes predominantly on socialism, anarchy and libertarianism. He believed in these passionately and was influenced among others by William Morris and John Ruskin.
