Sommario/riassunto	Learning Hiragana and Katakana is a systematic and comprehensive workbook that can be used along with a Japanese language textbook or as a stand-alone resource to learn the Japanese alphabet (kana). Japanese has 3 writing systems, all used together: hiragana, katakana and kanji. Learning Japanese Hiragana & Katakana helps newcomers learn how to use the first two systems' basic 92 characters to read, write and communicate. With expanded writing and preparation space, this revised edition offers ample provisions for practice, review and

self-testing at several levels. It also includes a detailed
