Sommario/riassunto	From one of America's foremost experts in museum and cultural heritage law, Museum Law: A Guide for Officers, Directors, and Counsel is a comprehensive guide to both U.S. and international laws and conventions affecting museums, art galleries, natural and historic heritage, and other cultural organizations. The fourth edition details laws protecting art and artists, cultural and natural heritage, U.S. and international law, regulations for tax-exempt status, and much more. This book also includes an unprecedented look at museum
