LEGAL CONSIDERATIONS IN THE CONTEXT OF THE 1989 TRANSFORMATION

Sommario/riassunto

Comparative law is a research methodology which has been increasingly fashionable in recent decades, as comparisons between common law and civil law have dominated the law studies landscape. There are many methods of comparative law in use, including comparison of legal rules, comparison of cases, and comparison of legal theories. Each of these methods has strong proponents and opponents. Dogmatic comparisons of rules are criticized for not giving the whole picture of law in action, but prais...
