Sommario/riassunto	Many churches have active worship committees or planning teams, and an abundance of books and resources guide pastors and laity. Encounters with the Holy offers a conversational model of worship planning that was developed to train practitioners to be more reflective in their planning of worship experiences. The model planning,

ordering, worshiping, reflecting is a flexible, fluid pattern. It provides a more circular, spiraling practice of imaginative planning, preparing the leaders and the space, and reflecting theologically to understand more fully the experience of worship. It has been test
