Sommario/riassunto	The outstanding nineteenth-century biblical scholar and Semitist William Robertson Smith gave three courses of Burnett Lectures on the Religion of the Semites at Aberdeen just over a century ago. The first series, published in 1889 (2nd edn, 1894), has long been a classic work. The second and third series were never published, owing to the author's ill health; however, the manuscript of them still exists in the Cambridge University Library and was recently discovered by John Day, who has produced this edited version of the work to commemorate the centenary of Smith's death. The Lectures, which

Sommario/riassunto	Existentialism is often studied by students with little or no background in philosophy; either as an introduction to the idea of studying philosophy or as part of a literary course. Although it is often an attractive topic for students interested in thinking about questions of "self" or "being", it also requires them to study difficult thinkers and texts. This Guide for the Perplexed begins with the question of "What is Existentialism?" and then moves on to provide a brief analysis of the key thinkers, writers and texts - both philosophical and literary - central to existentialism.
