Sommario/riassunto	This volume is an archaeological analysis, history, and description of a key excavation of the site of biblical Bethsaida, the most important Holy Land location in the narrative of Jesus' life. This volume presents some of the pre-eminent biblical archaeological scholars in the field, all of whom were associated with Professor John T. Greene, either in the process of decades of archaeological exploration of the ancient site of Bethsaida, or in some other related activity in the field of bibli...
