Sommario/riassunto	A Public Health Approach to Bullying Prevention will serve as a practical, sustainable, cost-efficient strategy to tackle bullying. More importantly, it may be the best approach to providing legitimate and sustainable hope to our children at a time when bullying is becoming increasingly more difficult to tackle. This book presents a public health approach to bullying prevention in a comprehensive and deliberate manner. Formal public health strategies have been used to combat infectious disease epidemics, tobacco use, and motor vehicle injuries. When applied to bullying, public health strategies
