## Sommario/riassunto

The Variegated Landscape of Mediation is a comprehensive overview of global mediation regulatory frameworks for commercial and civil cases. Additionally, it is a practical summary of the development of mediation and worldwide mediation practices in 60 jurisdictions, with a special emphasis on the European Union. The book allows for a direct comparison, based on standardized benchmarks for each country, and will be helpful for practitioners mediating across borders, academics, and those involved in legislative efforts. The book's contributors, who are each knowledgeable professionals in their j
