Sommario/riassunto	The volume is a result of the latest conference in a series of ELT conferences at Purkinye University, Usti nad Labem. It contains submissions by national and international scholars with contributions relevant to applied linguistics and education, ELT methodology,

TEFL/TESOL and cultural studies. This volume reflects, on the one hand, the international spectrum of activities, and, on the other, the more locally focused research projects of individuals which are displayed in the various articl...
