Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	Title; Contents; Preface to the Second Edition; Preface to the First Edition; Lecture I; Lecture II; Lecture III; Appendix; Endnotes
Sommario/riassunto	Based on a series of talks on the controversial subject of opium use and trafficking, The Truth About Opium asserts that much of the propaganda disseminated in the West about the drug has been exaggerated, and in some instances, entirely false. Brereton draws on his own experiences and observations in China to weave a compelling counterargument.
