Chapter 9. The New Visibility: Representing Sexual Minorities in the Popular Culture of Post-Soviet Russia

---

Sommario/riassunto

Important new findings on sex and gender in the former Soviet Bloc! Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central, Eastern, and Southeast Europe after the fall of communism. The book presents the kind of candid discussion of sexual identities, sexual politics, and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987. Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected
