Sommario/riassunto	In Transforming Citizenship Raymond Rocco studies the "exclusionary inclusion" of Latinos based on racialization and how the processes behind this have shaped their marginalized citizenship status, offering a framework for explaining this dynamic. Contesting this status has been at the core of Latino politics for more than 150 years. Pursuing the goal of full, equal, and just inclusion in societal membership has long been a major part of the struggle to realize democratic normative

principles. This illuminating research demonstrates the inherent  
limitations of the citizenship regime in the Un
