Sommario/riassunto	Young women today have achieved as much as, and in many cases far exceeded, males in both educational and occupational terms. While this presents many opportunities, it also creates confusion in terms of re-negotiating traditional gender roles. The fictional representation of young women in recent film and television shows demonstrates how these tensions, created by the specific sociopolitical climate of the post-recession era, are being worked out. One specific television show focused on int...
