Sommario/riassunto	Until the first edition of Steven Spielberg: A Biography was published in 1997, much about Spielberg's personality and the forces that shaped it had remained enigmatic, in large part because of his tendency to obscure and mythologize his own past. But in this first full-scale, in-depth biography of Spielberg, Joseph McBride reveals hidden dimensions of the film maker's personality and shows how deeply personal even his most commercial work has been. This new edition adds four chapters to Spielberg's life story, chronicling his extraordinarily active and creative period from 1997 to the present,
