Sommario/riassunto	Written in China more than 2,000 years ago, The Art of War has inspired military, political, and business leaders across the world with its brilliant strategies for prevailing against opponents. At the core of this classic treatise is the message that sledgehammer approaches can backfire, and size alone does not guarantee wins. Strategy, positioning,

planning, leadership--all play equally significant roles, making Sun Tzu's teachings perfect for small business owners and entrepreneurs entrenched in fierce competition for customers, market share, talent... for their very survival. The Art of War
