Sommario/riassunto	Workplace teams are supposed to harness employees' talents to tackle challenges. But the reality often falls short... Now imagine having a team where everyone steps up and performs all of the leadership tasks. Imagine a team that is constantly sharing knowledge and pushing the envelope--one that does long term planning and produces outstanding performance. A Team of Leaders shows readers how to design systems that nurture the leadership potential of every employee--the key to creating high-performance teams. The book's proven principles and techniques include: ? The Five-Stage Team Development
