Sommario/riassunto	Counselling supervision is an expanding area, as increasing numbers of counsellors enter the profession and require supervision on a regular basis. Counselling Supervision in Organisations seeks to provide a model of counselling supervision within organisations, enabling supervisors, counsellors and their line managers to work effectively within organisational cultures for the benefit of all parties in the working alliance. Drawing on her own research, Sue Copeland explores both counselling and supervision cultures and their fit with various organisational cultures. The dilem
