Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	Front matter -- Contents -- Introduction by Sarah Ruden -- Translator's Preface -- Book I -- Book II -- Book III -- Book I -- Book II -- Book III -- Notes -- Glossary -- Acknowledgments
Sommario/riassunto	The most sophisticated and daring poetic ironist of the early Roman Empire, Publius Ovidius Naso, is perhaps best known for his oft-imitated Metamorphoses. But the Roman poet also wrote lively and lewd verse on the subjects of love, sex, marriage, and adultery—a playful parody of the earnest erotic poetry traditions established by his literary ancestors. The Amores, Ovid's first completed book of poetry, explores the conventional mode of erotic elegy with some subversive and silly twists: the poetic narrator sets up a lyrical altar to an unattainable woman only to knock it down by poking fun at her imperfections. Ars Amatoria takes the form of didactic verse in which a purportedly mature and experienced narrator instructs men and women alike on how to best play their hands at the long con of love. Ovid's Erotic Poems offers a modern English translation of the Amores and Ars Amatoria that retains the irreverent wit and verve of the original. Award-winning poet Len Krisak captures the music of Ovid's richly textured Latin meters through rhyming couplets that render the verse as playful and agile as it was meant to be. Sophisticated, satirical, and

wildly self-referential, Ovid's Erotic Poems is not just a wickedly funny send-up of romantic and sexual mores but also a sharp critique of literary technique and poetic convention.
