Sommario/riassunto

Context: The socio-political situation has improved substantially since the 2011 Article IV Consultation, but significant challenges remain. Boosted by a surge in public investment, economic activity rebounded quickly from the post-election crisis in early 2011. Since end-2011, the focus of policy has shifted from short-term crisis recovery to implementation of policies to promote high and inclusive growth. Cote d'Ivoire reached the HIPC Initiative Completion point in 2012. Article IV discussions: The discussions focused on policies needed to achieve the objectives of the government's 2012-15 National
