Baig -- Interreligious relations / Safet Bektovic -- Towards a European understanding of Islam / Abdul Wahid Pedersen.

Sommario/riassunto

As a small country in western Europe, Denmark shares much of the regions experiences with the immigration and settlement of Muslims. But there are also differences, some significant, which can lead observers to misjudge events such as the cartoons affair of 2005-6. The 14 chapters in this volume present, for the first time in English, the fruits of extensive research and experience of the particular character of Islam in Denmark.
