Note generali	Description based upon print version of record.
Nota di contenuto	16Jenna Cohen, Age 24 17Lisa Cohen, Age 21; 18Hannah Burke, Age 15; 19Christine Hurd, Age 18; BACK COVER
Sommario/riassunto	The needs of a child with autism often overwhelm a family, leaving neurotypical children feeling overshadowed. For the first time, the 'neurotypical' siblings get to have their say. They recount the good, the bad, and the downright annoying in a way that all young people in a similar situation will immediately recognise.
