Hall -- Synthesis and concluding comments / George Hurley.

Sommario/riassunto

Psychology has become a global profession. Professionals are now readily able to practice in geographic areas far from where they were trained. In practice, psychology has a social contract with the public to promote human and societal welfare, all the while responsible for the constant upkeep of systems that promote, maintain, and demand quality from health care professionals. In *Global Promise: Quality Assurance and Accountability in Professional Psychology*, editors Judy E. Hall and Elizabeth M. Altmaier examine the tools needed for evaluating the crucial components of quality assurance- edu
