Sommario/riassunto	As two of the longest serving prime ministers in Europe, Tony Blair and Bertie Ahern were in power during one of the most tumultuous periods of European integration. This book offers a unique and fascinating insight into how they responded to the demands and opportunities of European Union membership at the national level. Drawing on extensive interviews with key figures, it explores how the two leaders sought to radically reshape the EU policy making process in the UK and Ireland in order to further their strategic policy agendas. It therefore asks three key questions. How did the national EU
