#### Sommario/riassunto

Can Luther's writings inform us on the fundamental questions of  
Freudian psychoanalysis? Does an intellectual filiation between early  
Reformation thought and psychoanalysis exist? Does Lacanian  
psychoanalysis offer an instrument for analysing theological writings? In  
The Heart of Man's Destiny, Herman Westerink offers a new reading of  
Lacan's seventh seminar, *The Ethics of Psychoanalysis*. Working from an  
innovative perspective, this book explores the close relationship  
between Freudian psychoanalysis and the ideas of the early  
Reformation. Lacan
