Sommario/riassunto	Since the cultural conflicts over the Vietnam War and civil rights protests, poets and poetry have consistently raised questions surrounding public address, social relations, friction between global policies and democratic institutions, and the interpretation of political events and ideas. In Poets Beyond the Barricade: Rhetoric, Citizenship, and Dissent after 1960, Dale Smith makes meaningful links among rhetoric, literature, and cultural studies, illustrating how poetry and

discussions of it shaped public consciousness from the socially volatile era of the 1960's...
