Sommario/riassunto

Total ankle replacement surgeries are often complex and difficult. Don't leave it to trial and error. Learn from the experts: Total Ankle Replacement: An Operative Manual is the definitive how-to manual on the surgical techniques used in ankle arthroplasty. Edited by Drs. James DeOrio and Selene Parekh and written by masters in the field, this is an irreplaceable guide to providing your patients with improved, pain-free ankle function and mobility.
