

1. Record Nr.	UNINA9910465417803321
Autore	Khataee A. R (Ali Reza), <1977->
Titolo	Mechanical and dynamical principles of protein nanomotors [[electronic resource]] : the key to nano-engineering applications / / Ali R. Khataee and Hamid R. Khataee
Pubbl/distr/stampa	New York, : Nova Science Publishers, c2010
ISBN	1-61761-775-X
Descrizione fisica	1 online resource (79 p.)
Collana	Nanotechnology science and technology series
Altri autori (Persone)	KhataeeH. R
Disciplina	660.6/3
Soggetti	Protein engineering Proteins - Mechanical properties Proteins - Industrial applications Nanostructured materials Motors Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	""CONTENTS""; ""PREFACE""; ""ACKNOWLEDGEMENTS""; ""INTRODUCTION""; ""STRUCTURE OF THE LINEAR PROTEIN NANOMOTORS""; ""FUNCTION OF THE LINEAR PROTEIN NANOMOTORS""; ""APPLICATIONS OF THE LINEAR PROTEIN NANOMOTORS""; ""CONCLUSIONS""; ""REFERENCES""; ""INDEX""
