The future of police custody; Improving police custody in the immediate term; Towards an agenda for future research; Ongoing assessment and reform; Note; Appendix: The research base; Note; References; Index

Sommario/riassunto

Police custody acts as an important gateway to the criminal justice process. Much is at stake here for both staff and suspects as what happens in police custody can have important consequences further down the line. This book offers a timely contribution to research on police custody, which has been largely neglected for the last decade, and it is the first to examine the growing role given to civilians employed by the police or by private security companies within police custody areas. The book draws on a mixed-method study of two custody areas, one publicly-run, and the other large
