Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [171]-177) and index.
Nota di contenuto	Preliminary Material -- Prelude: The Poet as Thinker -- Framing a Dialogue on Vicissitude: The Interplay of Ideas in Ecl. 1 -- Fracta cacumina: The Consolation of Poetry and Its Limitations(Ecl. 9) -- Vicissitude Writ Large: The Ontology of the Golden Age (Ecl. 4) -- Coping with Death: The Interplay of Lament and Consolation in Ecl. 5 -- Coping with Erotic Adversity: Carmen et Amor (Ecl. 2 and 8) -- Erotic Vicissitude Writ Large (Ecl. 6) -- "Ecquis erit modus?": The Vergilian Critique of Elegiac amor (Ecl. 10) -- Postlude: dulcis Parthenope -- Works Cited -- Index.
Sommario/riassunto	This study of the Eclogues focuses on Vergil's exploration of issues relating to the subject of human happiness ( eudaimonia )—ideas that were the subject of robust debate in contemporary philosophical schools, including the community of émigré Epicurean teachers and their Roman pupils located in the vicinity of Naples ("Parthenope"). The latent "interplay of ideas" implicit in the songs of the various poet-herdsmen centers on differing attitudes to acute misfortune and loss, particularly in the spheres of land dispossession and frustrated erotic desire. In the bucolic dystopia that Vergil constructs for his audience, the singers resort to different means of coping with the vagaries of fortune ( tyche ). This relatively neglected ethical dimension of the

poems in the Bucolic collection receives a systematic treatment that provides a useful complement to the primarily aesthetic and socio-political approaches that have predominated in previous scholarship. 'This book is insightful and engaging; amateurs of Vergil's Eclogues (scholars, students, or enthusiasts) will find the work accessible and profitable.' Kristi Eastin, California State University, Fresno
