Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 02 Oct 2015).
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Allied cooperation during the World War: "What will be the place of Bulgaria at the judgement seat?" -- Bulgaria in British postwar planning -- Getting Bulgaria out of the war -- Rising tensions and lowering expectations during the armistice: "Britain has to be a little more than a spectator" -- The principles of British postwar policy towards Bulgaria -- Observing the establishment of communist rule in Bulgaria -- Recognizing the Bulgarian communist regime -- Consolidation of the Cold War frontline: "we are supporting certain principles" -- British acceptance of communist rule in Bulgaria.
Sommario/riassunto	The succession of great power influences in the Balkans played a key role in shaping Bulgaria's international place and its domestic policy. Bulgaria in British Foreign Policy explores Britain's involvement in Bulgaria between 1943 and 1949 and revisits the important issue of British attitudes towards Eastern Europe. Using recently released sources from the Bulgarian and Soviet Communist parties and foreign ministries, Stankova offers new insight into the nuanced origins of the Cold War in Bulgaria, and bridges significant gaps in the treatment of the country in English-language literature.
