Nota di contenuto	pt. 1. The workplace revolution -- pt. 2. The model -- pt. 3. Applying the model.
Sommario/riassunto	The employment relationship as we know it is a relic of the last century. Globalisation, competition and financial pressures are challenging organisations to be more adaptable. This book offers managers and professionals a new, research-based employment model that will alter the way employees and employers think about their working relationship, aligning the changing needs and interests of individuals and organisations to produce a sustainable, productive and profitable workplace in any financial climate.
