Sommario/riassunto	This highly practical resource for K-6 teachers is packed with 25 classroom-tested, step-by-step strategies for developing word knowledge. The emphasis throughout is not only on teaching new words, but also on strengthening students' comprehension and long-term vocabulary acquisition. Especially valuable are guidelines for how to differentiate each strategy so it can be used successfully with English language learners and students at varying proficiency levels. In a large-size format for easy photocopying, the book features helpful print and Web resources for each strategy, along with 20 re

Sommario/riassunto	Edited by the Head of Psychology for HM Prison Service and the National Probation Service, and fully updated to take account of structural changes within these Services, Psychology in Prisons takes an in-depth look at the work of psychologists in prisons strengthened by in-depth consideration of diversity issues such as age, gender, socio-economic group, sexuality and ethnicity. Focuses exclusively on the prison environment and prioritises practical information for practitioners working in prisons. Contextualises psychological work in prisons, and covers evidence b
