Sommario/riassunto	That invaluable Christian reference book.' Church Times `Covering the whole range of Christian thought, it is specially valuable to the young student.' Church Quarterly Review This selection of writings from the most important moments in the history of Christianity has become established as a classic work. Now incorporating a wealth of new material, this new edition will be an essential reference source for anyone interested in the Christian Church. While retaining the original material selected by Henry Bettenson, Chris Maunder has added a substantial section of more recent writings. These il
