Nota di contenuto	Jesus, exorcist and healer -- Healing in early Christianity -- Healing in medieval Christianity -- Healing in early modern Christianity -- Healing in Western Christianity's global expansion -- Christianity and the global development of scientific medicine -- Christian healing in the shadow of modern technology and science.
Sommario/riassunto	Amanda Porterfield offers a survey of ideas, rituals, and experiences of healing in Christian history. Jesus himself performed many miracles of healing, and Christians down the ages have seen this as a prominent feature of their faith. Indeed, healing is one of the most constant themes in the long and sprawling history of Christianity. Changes in healing beliefs and practices offer a window into changes in religious authority, church structure, and ideas about sanctity, history, resurrection, and the kingdom of God. Porterfield chronicles these changes, at the same time shedding important new
