Sommario/riassunto	How do you know anything is true? What relation is there between my psyche and your psyche, does one exist? Can we doubt everything or are some things indubitable? What does Jung have to say about body and psyche, body and mind?Cartesian Philosophy and the Flesh is an analysis and critique of interpretations of Cartesian philosophy in analytical psychology. It focuses on readings of Descartes that have important implications for understanding Jung, and analytical and existential psychology generally. Frances Gray's book raises questions about the 'place' of the body in a theor
