Sommario/riassunto	This text introduces students of human geography to the fundamental concept of place, marrying everyday uses of the term with the complex theoretical debates that have grown up around it. A short introduction to one of the most fundamental concepts in human geographyMarries

everyday uses of the term "place" with the more complex theoretical debates that have grown up around it. Makes the debates intelligible to students, using familiar stories as a way into more abstract ideas. Excerpts and discusses key papers on place by Doreen Massey and David Harvey. Considers empirical
