Sommario/riassunto	This book is a history of the Irish civil service and its response to revolutionary changes in the State. It examines the response of the civil service to the threat of partition, World War, the emergence of the revolutionary forces of Dail Eireann and the IRA through to the Civil War and the Irish Free State. Questioning the orthodox interpretation of evolution rather than revolution in the administration of the State it throws new light on civil service organization in British-ruled Ireland, the process whereby Northern Ireland came into existence, the Dail
