Religion and spirituality are being transformed in our late modern and Sommario/riassunto secularising times. New forms of belief proliferate, often notable for not being limited to traditional systems of reference or expression. Increasingly, these new religions present worldviews which draw directly upon popular culture - or occulture - in fiction, film, art and the internet. Fantasy and Belief explores the context and implications of these types of beliefs through the example of the Otherkin community. The Otherkin are a loosely-affiliated group who believe

themselves to be in some way more than just human,
