Sommario/riassunto	The North American Free Trade Agreement (NAFTA) was bold and controversial from the start. When first conceived, it was far from obvious that it would be possible given the circumstances of the times. Drawing from a December 2013 Hoover Institution conference on "NAFTA at 20," this book brings together distinguished academics who have studied the effects of NAFTA with high-level policy makers to present a comprehensive view of the North American Free Trade Agreement. It looks at the conception, creation, outcomes so far, and

the future of NAFTA from the perspective of economists, historians, a
